

TUB-TO-SHOWERS

Low-Threshold Shower

Convert your outdated bathtub into a safe, beautiful and spacious shower. We offer a low-threshold shower with optional bench or corner seat and a built-in seated shower with ADA compliant features. We offer many shower and tub-to-shower options for customers with varying needs.

Built-In Seated Shower

Easy Step Shower

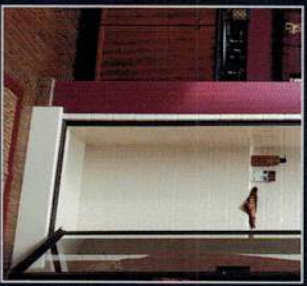

SHOWERS

Our Neo-Angle shower is perfect for a second bathroom or one that does not have the area for a full-size shower. It comes in a variety of sizes and colors to match your design.

Custom is our specialty. These custom style showers are ideal for basement bathrooms or for any place you have limited space requirements.

ACCESSORIES

We offer wainscoting in many styles and colors, including traditional beaded, flat wall panels, subway and 8x10. We also offer a decorative herringbone accent trim to complement your design choices.

Complete your bathroom transformation with our complete line of shower and bathtub enclosures and accessories.

Moen and Pulse® plumbing fixtures are available in a variety of styles and finishes.

BATHTUBS

Wrap your current bathtub in style and comfort with one of our custom liner and wall systems ... or replace your bathtub with a brand new tub.
